## About the Authors

NEIL TAYLOR is a Computer Scientist in Cambridge (UK), running the Saxum Caribet *Ars Magica* saga since 1997. He'd like to dedicate this book to his wife Angela, who had to sit by and watch while the book was hammered into being; and to thank CJ for his wildly entertaining excuses.

CJ ROMER is a field parapsychologist in the UK, investigating purported ghosts and hauntings and making dreadful paranormal TV. He dedicates this to his wife Lisa, as their honeymoon was filled with this book, and to Summer, Crowley, and Marmalade. He would like to thank Neil for being so understanding about the flying rabbit hutch, burning noose, and seance table inflicted injuries that delayed his writing.
