

STAR FLEET BATTLES

A CAPTAIN'S LOG #18

A NEW START

**ADB,
Inc.**

WE'RE BACK!

Just when you thought that Star Fleet, Steve Cole, and ADB were gone forever, we're back, and with a vengeance.

Long-time veterans of SFB won't be surprised. SFB has "appeared to die" several times before, and each time, SFB came back better than ever.

The long-awaited "deal" is completed, and ADB, Inc. has purchased all "rights" held by Task Force Games relating to the Star Fleet Universe (including their Paramount license) and will in future be both creator/designer and publisher of all Star Fleet Universe products. TFG still exists; it just has no further connection to SFB/SFU.

While CL#18 was first done two years ago, it has been fully updated for May 1999.

SFB players can look forward to the long-delayed SFB products and many new ones. Come along. It's going to be a whole new universe!
