SUPPOSING THEY GAVE A WAR IN KOREA AND THE GERMANS CAME?

Under whatever alternative history your prefer, the Korean war starts with the Japanese in control of the Peninsula. Instead of American help, the Germans send FM Kesselring, who is an accomplished expert in peninsula warfare, and a few Divisions.

***** EDITOR'S SOAPBOX

Having been finally given a Command of my own (16th Bde), I find that I have not the time to remain as Editor of the JAGDPANTHER. I wish it well.

-----Larry Earhart, Jr.

Having been discovered playing chess with a die that will only roll sixes, I have been condemned to a fate worse than death, Editor of the JAGDPANTHER. Needless to say, there will be a lot of Changes made. The first thing to go will be those recondo sheets, as not many got back and most had only yes or no answers. If you have comments, by all means, write us a letter! Anthony Victor Trevelian
