ABOUT THE DESIGNER

Creighton is a keen gamer who passionately believes in the Open Gaming License and is dedicated to making his games as fun and easy to enjoy as possible for all participants. Reducing or removing entry barriers, simplifying pre-game prep and easing the GM's workload are the key underpinning principles of the products he releases through Raging Swan Press.

Over the last 11 years, Creighton has worked with Expeditious Press, Paizo and Wizards of the Coast. He now releases his own products through Raging Swan Press. You can read his thoughts on game design at raging-swan.livejournal.com.

Creighton lives in Torquay, England where, apparently, the palm trees are plastic and the weather is warm. He shares a ramshackle old mansion with his two children ("Genghis" and "Khan") and his patient wife. Famed for his unending love affair with booze and pizza he is an enduring GREYHAWK fan.

ERRATA

We would like to think *Horns of Valhalla* is completely error free and that absolutely no mistakes have crept in during design or editing. However, we are realists. So in that spirit, we shall post errata for this adventure three months after first release on ragingswan.com. We aren't going to be correcting typos and spelling errors, but we will correct any game mechanic or balance issues that come to light.
